## E X P E R I E N C E

At Style Luxe Weddings, we believe that every love story deserves to be celebrated with nothing less than pure elegance, intentional design, and the kind of magic that lingers long after the last dance. Founded with a passion for artistry and excellence, we are a premier wedding planning and design studio based in the heart of the DMV, known for producing weddings that are not only flawlessly executed—but visually breathtaking and emotionally unforgettable.

We specialize in curating luxury weddings for modern, style-forward couples who dream in high fashion, love opulent details, and value a seamless experience. Our signature aesthetic—reflected throughout our portfolio—blends architectural minimalism, rich textures, and dramatic statement moments, resulting in refined celebrations that feel elevated, editorial, and entirely personal.

Whether you're envisioning a chic rooftop affair in Washington D.C., a romantic garden soiree in Virginia wine country, or an opulent ballroom celebration in Maryland, our team brings over five years of hands-on experience, industry insight, and an obsessive attention to detail to every planning journey.

With a background in fashion, interior design, and graphic artistry, Style Luxe Weddings doesn't just plan weddings—we curate immersive experiences that reflect your story, celebrate your culture, and inspire your guests. From the first consultation to the final sendoff, we are your creative partner, logistical expert, and quiet powerhouse behind the scenes—ensuring your vision is not only realized, but elevated beyond imagination. At Style Luxe Weddings, we don't follow trends. We create timeless moments that leave lasting impressions.

## Client Reviews

"I really was able to be calm bride because everyone was amazing!  
Stacy took a few mood boards and she brought it all to life!"

*Mrs. Keisha Turner*

Stacy Stacy Stacy. She has been my rock and my number one advocate for the past 2 years. Things I was not able to devote the time and energy to she handled very well. Contracts and reaching out to vendors she's no stranger to. Everything will be handled in a timely manner. She was extremely attentive to my husband and I throughout the wedding day. As a result, she was literally a superhero that day, ensuring that my dress was steam-pressed and picking up items that were missing, ensuring I ate, and many other tasks. While doing all of this she still executed my vision. While taking my verbal ramblings of my ideal day over the last two years, my husband and I are extremely satisfied with the results. In my opinion, she is well worth the investment. She is the person I would choose over and over again. The work she and her team do is outstanding. It's like you have known them for a lifetime. Furthermore, we gained a family member.

*Mrs. Garnasia Sykes*

"I really cannot thank you enough!! Our day was soooo much more than I imagined!! Seriously!! I hope that every couple gets to experience how magical you are! You are a force to be reckoned with!! Black girl magic!! I seriously want to get married again!!"

*Mrs. Sabrina Miller*
